

Let's Play Ball!

A different youth baseball or softball team (ages 6 to 13) is selected to take part in the opening ceremonies at every Goldeyes home game. Each team member receives a game ticket, recognition certificate autographed by their Goldeyes player, a special treat and individual introduction to the crowd. The entire team stands on-field during the Goldeyes introduction and national anthems.

Goldeyes

2011 Year in Review

During a season in which the Goldeyes won a franchise-high 60 games, captured the North Division pennant and led independent baseball in attendance, the organization compiled many memorable highlights during its inaugural American Association season. On June 14, a sell-out crowd packed Shaw Park and paid tribute to Max Poulin, as the organization retired his No. 6 in an emotional pre-game ceremony. On August 25, Goldeyes pitcher Ace Walker set the franchise record for career wins by a starting pitcher with his 38th victory.

A day later, in front of 8,065 fans, Goldeyes Field Manager Rick Forney was selected as the American Association's Manager of the Year. It was the first time a Goldeyes field manager received the honour. On September 2 it was announced that Goldeyes second baseman Price Kendall was voted the American Association's Rookie of the Year. The team concluded the 2011 season when it added one last award to its trophy case as the Goldeyes were recognized as the American Association's Organization of the Year.
