

- 1 - **Robyn Hitchcock - The Day Before Boxing Day**
From the newly updated (for the 2nd time!) version of The dB's "Christmas Time" album.
- 2 - **Robyn Hitchcock - TwangTrust Xmas I.D.**
- 3 - **Johnny Marr & the Healers - Free Christmas**
Johnny gave this one away back in 2011.
- 4 - **The Dollyrots - Because I'm Santa**
The band that opened for The Buzzcocks at the Pyramid in 2010 has an awesome song called, what else - "Because I'm Awesome". Here's the even awesomer version from their Christmas EP.
- 5 - **Hoover's G-String - The Ballad of Mrs. Santa Claus**
From the great unsung power pop band from Washington, DC's second album, "Crack".
- 6 - **Steve Poltz - TwangTrust Xmas I.D.**
- 7 - **Steve Poltz - Christmas 2008**
Steve finally made it to Winnipeg this year. It was worth the wait! Here's an Xmas oldie from Poltz.
- 8 - **The Yule Logs - Leaping Lord**
The hardest working band in snow business have a brand new album called "Up All Night" and on it is this one - the greatest Christmas song of all time. Sorry, Darlene Love.
- 9 - **Brent Best - Gumdrop**
The leader of the mighty Slobberbone put out one of the greatest albums of the year with "Your Dog, Champ". Here's a seasonal gem from last year's compilation "A Very Merry Denton".
- 10 - **The Deadbeat Poets - Christmastime in Painesville**
This Cleveland combo has roots that go back to The Dead Boys. From their 2011 Xmas EP.
- 11 - **The Xmas-Men - The Little Drummer Boy/Linus & Lucy**
Robert Earl Keen's band put out a groovy instrumental album last year called "Santa is Real". Dig it.
- 12 - **Tommy Steele - Must Be Santa**
Mitch Miller released the first version of this recently appointed classic in 1960, but the UK's Steele followed suit in the same year.
- 13 - **Santo & Johnny - Twistin' Bells**
From 1960, these are the same cats that brought us the greatest instrumental ever - "Sleepwalk".
- 14 - **Buck Harder - Christmas Time**
When local actor/musician Gene Pyrz passed away in 2014, we dug up as much of his music as we could to do a proper radio tribute. Going through a pile of vintage cassettes we borrowed from our ol' pal Chris, we found this seasonal gem by Gene's Combo Combo partner, singer & guitarist Buck Harder.
- 15 - **Billy Cowsill - Holiday Greeting**
- 16 - **The Blue Shadows - If We Make It Through December**
Along with these I.D.s, originally from a Sony promo-only sampler from 1993.
- 17 - **Jeffrey Hatcher - Holiday Greeting**
- 18 - **Lucinda Williams - Have Yourself a Merry Little Christmas** 2014
- 19 - **Chuck Mead - Holiday Song**
The ol' ringleader of BR-549 put out this "Amen!"-worthy message back in 2012.
- 20 - **Walter Brennan - Henry Had a Merry Christmas**
- 21 - **Trailer Trash - Night Before X-mas Boogie**
Someday I'll make it to Minneapolis for one of the Xmas bashes these Twin Cities honky-tonkers put on annually. This is from the first of their 3 seasonal albums, "Hell, It's X-mas".
- 22 - **Clarence White - Silver Bells**
Different ones. A timeless instrumental from The Byrds' great picker.
- 23 - **Deena - Light Shines Through** (featuring the Hoboken Holiday All-Stars)
Remember The Cucumbers from the mid '80's Hoboken pop renaissance? Well, you should. Deena was their singer. This is a new 2015 track.
- 24 - **Jess Klein with Drew Womack - This Song of Love**
One of the biggest thrills of our year at the StuDome was when Jess made her return to Winnipeg.
- 25 - **The Mastersons - This Holidays's No Holiday (Without You)**
Chris & Eleanor can be found playing in Steve Earle's Dukes these days. This is brand new for 2015.
- 26 - **Langhorne Slim - TwangTrust I.D.**
- 27 - **Langhorne Slim - Deck the Halls**
Slim was a highlight of the Folk Fest a couple years ago. Here's a rejigged 2015 rave-up of a chestnut inspired by Little Jimmy Thomas.
- 28 - **Clarence Reid - Winter Man**
Thank the great Xmas music film "Jingle Bells Rock!" for shining a light on this obscure 1974 soul gem.
- 29 - **Jim Bryson & Oh Susanna - TwangTrust Xmas I.D.**
- 30 - **Jim Bryson featuring Amanda Rheäume - Half Price**
StuDome veteran Jim Bryson made a swell Xmas album a couple years back but this is from last year's Volume VI of the "Ho Ho Ho Canada" series.
