& 20 MORE  
JOYFUL &

SEASONAL

**WHY IS  
THE CARPET  
ALL WET,  
TODD?**

- 1 - **MATT PIUCCI - Maybe Next Xmas**  
The co-founder of the Paisley Underground's Rain Parade put this out last year.
- 2 - **GAME THEORY - Linus and Lucy**  
How'd I miss this one? From 1986's *The Big Shot Chronicles*. Happy 100, Mr. Schultz!
- 3 - **BLONDIE & FAB 5 FREDDY - Yuletide Throwdown**  
This seasonal Rapture re-mix has been in the can since 1981 but was just released in 2021!
- 4 - **SHINYRIBS - Don't Go Chasing Santa Claus**    5 - **Christmas ID**  
If you're wondering what to get me for Christmas, I still really want one of those electric capes like Kev Russell wore on Austin City Limits. From *The Kringle Tingle*, baby!
- 6 - **KELLY FINNIGAN - Santa's Watching You**  
IMHO, the best all-original Christmas album in recent times is *A Joyful Noise* from the man behind SF's Monophonics.
- 7 - **THE BARR BROTHERS - Dear Mrs. Claus**  
This soulfully steamy number dates back to just after the Quebec combo's first LP in 2011.
- 8 - **SPARKLEHORSE - Jack's Obsession**  
I love *The Nightmare Before Christmas* but Danny Elfman has always made me kinda queasy, so it was nice to come across this drastic, fantastic reworking by the late Mark Linkous.
- 9 - **MARK LANEGAN - Burn the Flames**  
R.I.P., Dark Mark. A Roky Erickson cover from his 2020 Xmas EP.
- 10 - **SOFIA TALVIK - Christmas Train**  
Sofia releases a free Xmas song every year. This one's from 2019. From Sweden, yah?
- 11 - **JOHNNY DOLLAR - Truck Driver's Lament**  
From a newly unearthed collection of '60s Christmas country called *Snow Blossoms*.
- 12 - **THE SURFRAJETTES - All I Want For Christmas Is You**  
The b-side to the new Xmas single by Toronto's premiere surf instrumental combo.
- 13 - **THE PROCLAIMERS - Blue Christmas**  
BBC radio session from 1990.
- 14 - **TENILLE TOWNES - Christmas Cards**  
Still my vote for Canada's best mainstream country artist.
- 15 - **THE STAVES - Home Alone, Too**  
Xmas single from 2018. We saw this UK trio at the Folk Festival back in 2016.
- 16 - **THE ORNAMENTS - Christmas Movie Marathon**  
The greatest one-song-a-year all-Christmas band in history. If Santa is good to us, we just might get a visit from this Wisconsin/MPLS duo at The StuDome next Christmas. Keep an ear out for their new 2022 release on Bandcamp and on CKUW's TwangTrust!
- 17 - **VISTA BLUE - Why Is The Carpet All Wet, Todd?**  
This might be the year I finally watch *National Lampoon's Christmas Vacation*.
- 18 - **CHRIS ISAAK - Dogs Love Christmas Too**  
Chris loves Christmas so much, he just released his 2nd collection of yule tunes.
- 19 - **DEBBIE & THE DARNELS - Santa, Teach Me to Dance**  
From 1962 on the Veron label. Vista Blue from 2 songs ago do a boffo cover, too.
- 20 - **HERMEY & THE HUMBUGS - Candy Cane Rock**  
From Surfin' Kitty Xmas 3, the new 3rd volume of surfmas nuggets by Toronto's Mark Malibu & the Wasagas. All proceeds go to a cat sanctuary in Grand Bahamas!
- 21 - **TITUS ANDRONICUS - Drummer Boy**  
These Jersey boys don't charge \$8,000 for concert tickets.
- 22 - **BILLY F GIBBONS - Jingle Bell Blues**  
2021 release from ZZ Top's top guy.
- 23 - **JERRY LEE LEWIS - I Can't Have a Merry Christmas Mary**
- 24 - **THE DEL-LORDS - Soldier's Home**  
The setting of this 1986 song, from the great Scott "Top Ten" Kempner, might be a little off in 2022 but the message certainly isn't. Viva Ukraine!
