a twangtrust production

- 1 - **Rose Cousins - Christmas Time Is Here**
One of 2012's brightest lights made a Christmas album benefiting Maritime food banks back in 2007 with fellow East Coasters Jill Barber and Meaghan Smith, called "A New Kind Of Light."
- 2 - **Jim Bryson & Oh Susanna - TwangTrust Christmas ID**
- 3 - **Jim Bryson - Mary New Year's Eve**
From Jim's brand new Instant Holiday Album, completed mere days ago...
- 4 - **Gary U.S. Bonds - We Wish You A Merry Christmas**
"Christmas is On!" is brand new in 2012 for this E Street neighbor.
- 5 - **JD McPherson - Twinkle**
Rockin' R&B isn't dead yet! 2012 brought us a gem in this new Okie rock'n'roller.
- 6 - **Scott Kempner - Merry Xmas, Baby!**
We still prefer the original '84 Del-Lords demo (found on 2003's Xmas disc) but this refurbished bonus track from last year's re-iss of Scott's classic "Tenement Angels" sounds mighty swell.
- 7 - **Trailer Trash - Reindeer Love**
From the Twin Cities finest honkytonkers 2011 Xmas album (their THIRD!), "Nutcrackers".
- 8 - **The Sweetback Sisters - The Christmas Boogie**
If you buy one new Christmas album this year, make sure it's the Sisters' "Country Christmas Singalong Spectacular." A truly solid album all the way through.
- 9 - **Dropkick Murphys - The Season's Upon Us**
From the Dropkicks upcoming 2013 album "Signed & Sealed in Blood."
- 10 - **Vern Gosdin - Santa's Driving a Chevrolet**
Thanks to Will Western Sr. for hepping us to this honky tonk gem from The Voice. Recorded in 2008 just one year before we lost this lifelong friend to the Byrds.
- 11 - **The Sweetback Sisters - Nine Days of Christmas**
One more old-timey, though schtick-free, number from our fave Xmas album of the year.
- 12 - **Lindi Ortega - Blue Christmas**
Easily the most played artist this year on TwangTrust. Here's one from Lindi's "Tennessee Christmas" EP. We'll see you at the Park Theatre on Valentine's Day!
- 13 - **Shovels & Rope - O' Be Joyful**
This song mentions Jesus and "wrapping up." That makes it a Christmas song, doesn't it? Title track to one of 2012's best.
- 14 - **Starlings, TN - The Holiday**
A brand new Xmas 7" from these always intriguing Appalachians.
- 15 - **The Shuffle Demons - Father Hipness**
The B-side to the Demons' 1987 "Jingle Bells" 7". B-sides are always the way to go at Xmastime.
- 16 - **Jay Brannan - Dear Santa**
From Netwerk Records new 2012 Xmas comp, "Isn't The World Enough?".
- 17 - **Florence Dore - Christmas**
Covered wonderfully in 1996 by Boston's Fuzzy as well as The Posies, this 2002 Eric Ambel-produced recording is by the song's actual author.
- 18 - **Hey Rosetta! - Carry Me Home**
From their latest EP "A Cup of Kindness Yet."
- 19 - **Ohbijou - Last Christmas**
It's not Christmas without some ethereal melt-in-your-mouth power pop goodness. Canada's own.
- 20 - **Kepi Ghoulie - Christmas On Zombie Island**
No Christmas episode of The Walking Dead this year so this will have to do.
- 21 - **Hatcher-Briggs - Every Day Will Be Like a Holiday**
Winnipeg's first-family of rock'n'roll have been covering this William Bell chestnut for many years, but they just got around to recording it in 2011.
- 22 - **Great Lake Swimmers - Hang A String of Lights**
From Netwerk Records new 2012 Xmas comp, "Isn't The World Enough?".
- 23 - **Too Much Joy - Ruby Left a Present Underneath The Christmas Tree**
The only rock'n'roll band in history to be sued by Bozo The Clown! Reunion 7" from the early '00's.
- 24 - **The Yule Logs - Athiest Serf Holiday**
The hardest working band in snow business! This SoCal band only exists at Christmas time. They have a new "Double Live" LP out this year, but this is from last year's "You Ruined Christmas!"
- 25 - **Grace Potter & the Nocturnals - Naughty Naughty Children**
- 26 - **Husker Du - We Wish You A Merry Christmas**
From a 1996 promo-only cassette tape!
