The 2025
Reid Family
Christmas Spectacular

- 1 - TELLISON - Good Luck, It's Christmas**
Tellison is a self-described "failed minor league indie rock band from London with acute organisational difficulties." This is a single from 2011.
- 2 - JOHNNY MANCHILD & THE POOR BASTARDS - It's Cold as Fuck Outside**
They're from Oklahoma City, but this 2018 cut must have some kind of Winnipeg roots.
- 3 - DAR WILLIAMS - I Want To See the Bright Lights Tonight (Santa Version)**
Dar seasonally covered Richard & Linda Thompson this year.
- 4 - TEEN MORTGAGE - Below the Christmas Tree**
Celebrating Christmas at the end of the world with these DC punks. From 2025, of course.
- 5 - CHRISTINA MARTIN - Sex, Drugs and Christmas Time**
Another brand new one. Maybe Christina's most rockin' track ever!
- 6 - SHAKURA S'AIDA - Be My Santa Claus**
I saw Shakura at a Talking Heads tribute show in Toronto this year. She killed on "Psycho Killer."
- 7 - JOHN SEBASTIAN - TwangTrust I.D.**
- 8 - JOHN SEBASTIAN - Grumpy Little Christmas (feat. David Gisman)**
2015 single from the Lovin' Spoonful guru.
- 9 - THE WEEKLINGS - Must Be Santa**
From the Fab lovin' NJ popsters 2024 *Christmas* album.
- 10 - BESPARENZ - for christmas**
Philly combo with one of the coolest "bring my baby back for Christmas" songs of recent memory. 2025.
- 11 - SLOTHRUST - You're a Mean One, Mr. Grinch**
Fresh out of the toy sack from this Boston bunch.
- 12 - JULIANNA RIOLINO - TwangTrust Xmas I.D.**
Hope you caught her set at Sidestage last month. Local gig of the year. She's a bonafide rock star.
- 13 - TODD SNIDER _ Go Tell It On the Mountain**
We have a far too big In Memorium section this year. This is a super-obscure cut from a 1995 benefit album *The Sounds Of Starry Nights: The Magic Of The Holiday Season by Memphis Musicians*.
- 14 - THE CHIEFTAINS with MARIANNE FAITHFULL - I Saw Three Ships A Sailing**
- 15 - JOE ELY - Winterlude**
A cover of the 1970 Bob Dylan song, from the Gary W. Talent produced album *To Kate* from 2005.
- 16 - THE MAVERICKS - I Have Wanted You (For Christmas)**
Damn, we're gonna miss this guy at The StuDome.
- 17 - JILL SOBULE - Merry Christmas from the Family**
From 1994. My favourite version of this modern standard.
- 18 - WILD - All I Want For Christmas Is You**
Lauren Luiz, who goes by the name of girlhouse these days, was previously in this L.A. based band who put out a few releases on Canada's Nettwerk label. She should be a household name. girlhouse rules.
- 19 - MORGAN WADE - Same Old Lang Syne**
A wonderful Dan Fogelberg cover of Morgan's new Xmas EP. This summer's gig at The Park was swell.
- 20 - AUX CAROLING - Michael Clayton Blu-Ray**
This guy from NC has 3 songs that make a claim for the 2007 George Clooney pic to be considered a Christmas movie. I vote no, but it IS a great movie. And the *Die Hard* argument is getting old. (That one IS, of course.)
- 21 - NAT "KING" COLE - The Little Boy That Santa Claus Forgot**
For the late director of the doc *Jingle Bell Rocks!*, Mitchell Kezin.
- 22 - AUX CAROLING - Simply Having a Terrible Time Hearing Simply Having a Wonderful Christmastime**
- 23 - MICHIGANDER - Not So Merry Christmas** 2025.
- 24 - WHEATUS - Christmas Dirtbag (Live on The Late Show with Stephen Colbert)**
- 25 - THE ORNAMENTS - A Cold Wind**
Devastating. Even more devastating than the fact that we now have another year with no new track from The Ornaments. This was their last one from 2023. Maybe next Christmas.
- 26 - MAVIS STAPLES - Beautiful Strangers**
Somebody say Amen. Written by Kevin Morby, from Mavis' great album of this year, *Sad & Beautiful World*.
